

## Installation Instructions for Gumleaf Aluminium Gutter Guard

### For Installing on Both Corrugated and Tiled Roofs

**Step 1:**  
prepare and clean gutter

**Step 2:**  
Bend gutter guard down on the back section.  
(this will vary depending on the size of the gutter)

**Step 3:**  
Notch out gutter guard on the back to allow for internal brackets.

**Step 4:**  
Install gutter guard

**Step 5:**  
Screw overlap using Gumleaf Screws
